

## **FINANCE PROFESSIONAL/CPA**

The Rybar Group, Inc., a growing healthcare consulting firm, continually adds capabilities in order to serve our clients more effectively. We are currently recruiting for a CPA or Finance Professional with financial operations or healthcare Provider payment and reimbursement experience. This is a terrific career opportunity for a seasoned professional.

We are looking for a team member who is dedicated to excellence in job performance; truly enjoys communicating and working with others; and can work as part of a dynamic and knowledgeable team.

### **Essential Functions:**

- Responsible for developing relationships with clients; consult with clients to ascertain and define needs or problem areas, and determine the scope of investigation required to obtain a solution. Monitor and implement regulatory changes, project management and an overall resource for our clients.
- Must possess strong analytical skills, be an independent worker, high productivity, and an effective communicator.
- Operational experience, accounting/financial analysis, is familiar with general ledger and financial statement; CPA/audit and/or healthcare experience a plus.
- Develop and maintain a high level of expertise in performing of and meeting engagement objectives.
- It is estimated that 75% of the individual's time will be related to direct client duties and 25% will be associated with planning, development, marketing and other functions.

### **Minimum Qualifications:**

- Bachelor or Advanced degree required, Accounting or Finance preferred, CPA a plus.
- High skill levels in accounting or finance (understanding of general ledger, trial balance, balance sheet and income statement). Healthcare experience preferred but not necessary
- Strong analytical capability, independent thinker and good decision making skills
- Proven team player able to work in a fast-paced environment
- Excellent project management, organizational and interpersonal skills, ability to prioritize workload
- Ability to work with senior executives and business partners
- Excellent written and verbal communications and presentation skills
- Strong computer and technology knowledge and skills (Excel and database skills)
- Exemplary client satisfaction skills
- Ability to process industry information to develop value-added client service
- Onsite/overnight travel to clients necessary as determined by client needs
